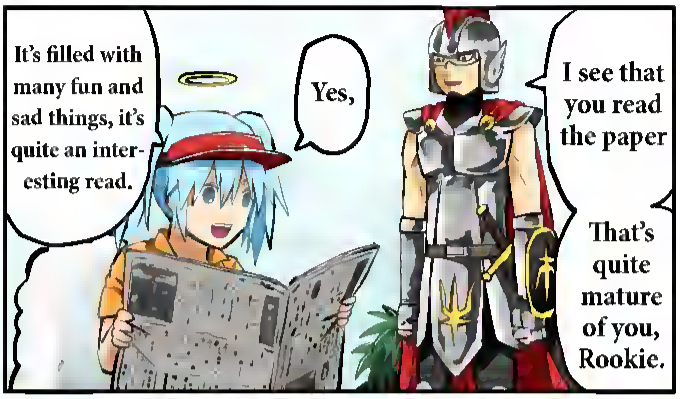
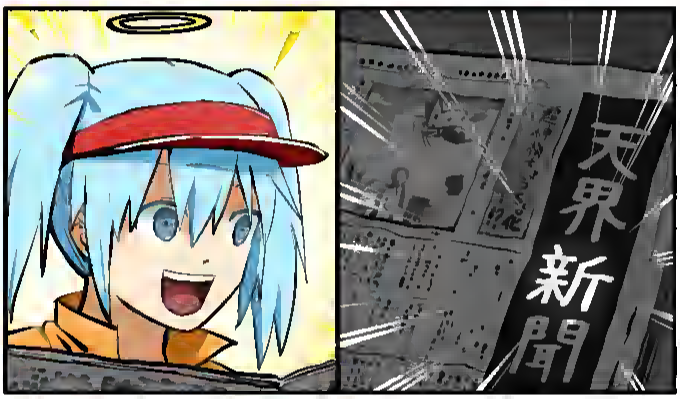
The Heaven Times



It's filled with many fun and sad things, it's quite an interesting read.
Yes,
I see that you read the paper
That's quite mature of you, Rookie.



新 = New

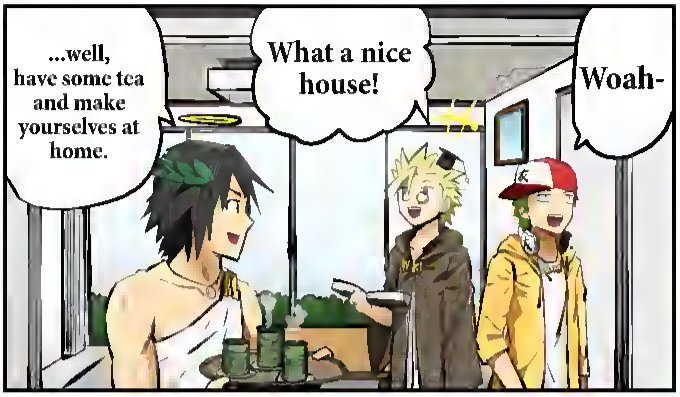
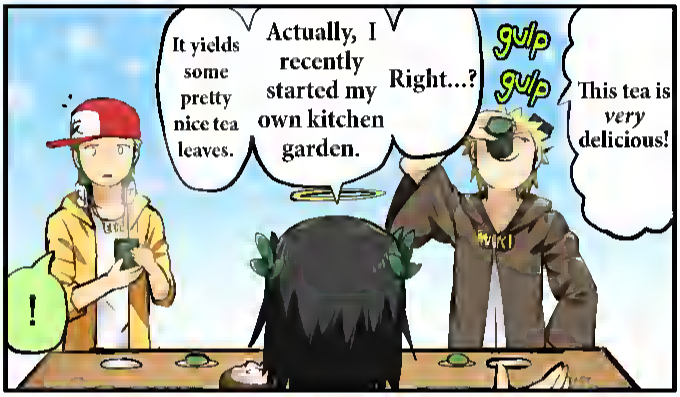
Tea Party



...well, have some tea and make yourselves at home.
What a nice house!
Woah-



It yields some pretty nice tea leaves.
Actually, I recently started my own kitchen garden.
Right...?
gulp gulp
This tea is very delicious!

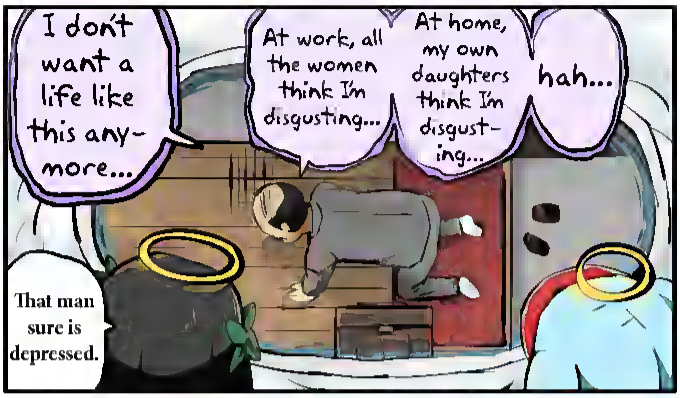
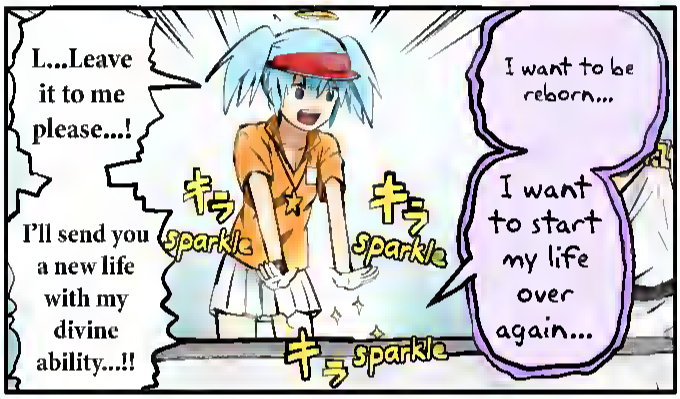
Divine Relevation



I don't want a life like this anymore...
At work, all the women think I'm disgusting...
At home, my own daughters think I'm disgusting...
hah...
That man sure is depressed.



L...Leave it to me please...!
I'll send you a new life with my divine ability...!!

TL Note

新神 - Shinjin - Rookie (God of New things)

The kanji spells out "New" and "God".
It is read the same as 新人, which means "newcomer/rookie"

Now, let's step back and admire Bro's new shirt.

It mysteriously says ダチ(dachi)
But combined with the kanji 友(tomo) on his hat,
it spells out tomodachi (friend)..!
